Dearest Betty,

It's been a swell year
to get to know a sweet and
likeable gal like you and
I'm sorry that the school year
had to end just when I was
really getting around to know
you better.

I've enjoyed the days that
I've gotten the same bus as you
to go to work and I know you've
enjoyed it too.

It's a pity that I hadn't
been able to get to know you
better but anyway I'm wishing
you the best of everything in
whatever you undertake.

May the Good Lord Bless you
in the years to come.

Good Luck again

Dear Betty,

It has been a great pleasure being a wonderful person and a friend to me.

I shall think the days when we used to meet each other at places.

Remember in 1949. Chances? Any you sure did your homework. Anyway I

Well, Betty, I hope you reach your goal at a good university.

Thinking of you and the wishes of happiness in this world. I hope you will be a true. Take I hope it will be a true.

The successful runner in the Greek games was crowned with a wreath of laurel, and was honored by all the people. In modern times, such contests are a regular part of the rivalry among colleges, especially in America. The Olympic Games, held today as in ancient times, include many races, among them the famous marathon.

Sports, or more correctly speaking, athletic games have been an important factor in the lives of the people of every nation throughout the ages. Even the most primitive people had their sports for entertainment and the physical development of their young men. As each generation developed, new games were invented and passed down to posterity. The character of these games, of course, has changed as man became more civilized. The purpose, however, has still remained--entertainment, recreation, and the physical development of the participant.

The Greeks have held their Olympic games every four years since 776 B. C. During these games, a week before and a week after, general peace was maintained throughout the country. In 1896 the Olympic games took on an international aspect. Since that time every fourth year the major nations of the world have sent their best athletes to compete against the athletes of other countries. We have seen how these games can be a factor for international harmony. Athletes from all nations mingled on an equal basis, grew to respect and appreciate the qualities of the other fellow.

It would do well for this troubled world to stop now before it is too late and take some lessons in international cooperation and good will as displayed by the athletes of the many nations who competed in the recent Olympic games.

This yearbook emphasizes the international aspect of sports and has, by doing so, taken a step in calling attention to the fact that nations can learn a valuable lesson from athletic competition.

As each year passes, the eyes of the world are focused on today's youth, who will be tomorrow's leaders. In this chaotic era, the hope of civilization lies in youth and their success as peacemakers. Whether peace is to endure depends largely on today's young people.

Farrington is one of the Territory's many schools that prepare youth for the future. Many courses and activities are offered students under the guidance of the principal, teachers and counselors.

STUDENT GOVERNMENT

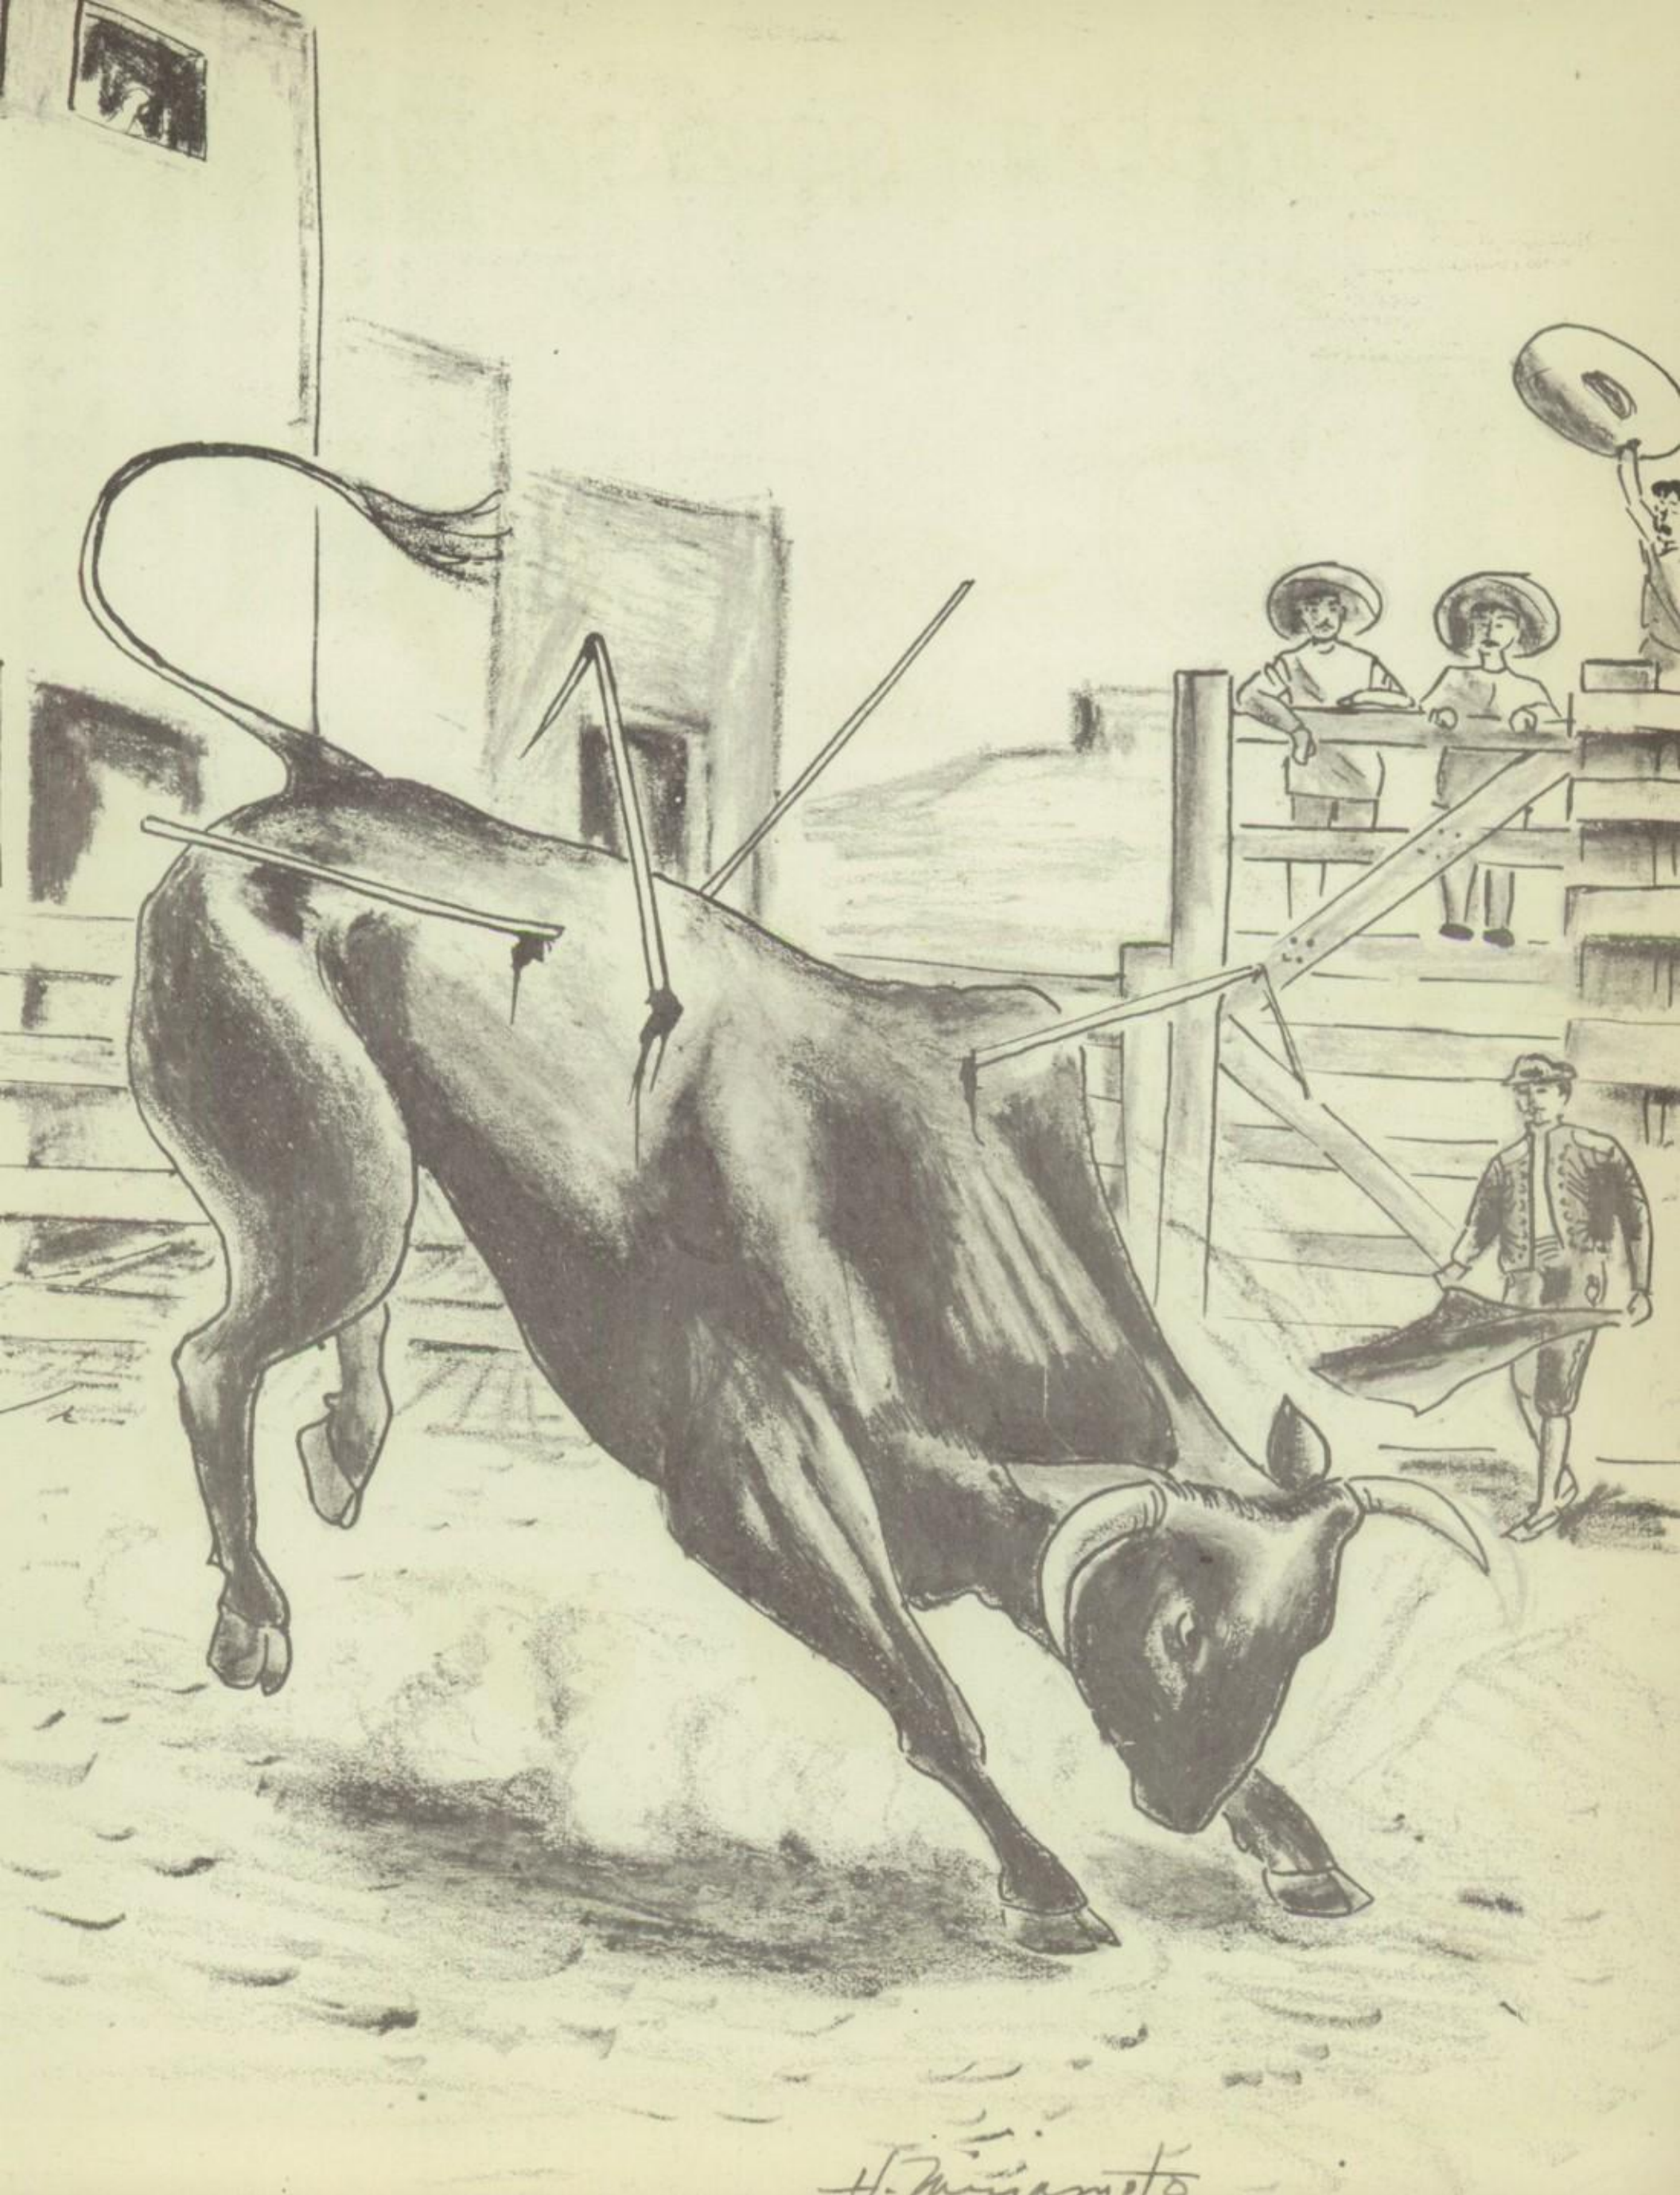

Bullfighting is the favorite sport of the Spaniards, and it was originated by the Moors of Spain for the exhibition of horsemanship, courage and dexterity with the lance.

The combatants comprised of the picadores, banderilleros and the matador. When the signal is given, the bull is loosed from the stall.

The picadores and banderilleros come out in succession and try to irritate the bull. When they succeed, the bull races madly around the arena.

Then the matador comes in gravely with a naked sword and aims the fatal blow at the animal. The slaughtered bull is dragged away and another is released from the stall.

The "Big Seven" led the 2,174 Governors through a successful year

A job well done! Yes, the student government and all its committees have carried on their work to a successful conclusion.

We owe a great deal to the hardworking and conscientious officers for putting a lot of time and effort in their work.

Among the officers were John Snead, president, who conducted all meetings; Daniel Platt, vice president, who presided in the absence of the president and served as chairman of the different committees; Doris Nakasone, secretary, who took minutes of meetings and was assisted by Lorraine Toi; and Henry Furukido, treasurer, who took care of all money matters. Soo Kil Park assisted Henry.

Their adviser, Miss Helen C. Cunningham, helped with problems. Many worthwhile projects were accomplished.

The representatives did a good job also of bringing the news back to their respective classes. All these pupils deserve credit for a task well done.

ACTIVITIES

Hiking has been a popular sport since the beginning of time. Man has climbed mountains for adventure and for the thrill of exploring unknown heights.

Today, men and women alike who love the outdoors don their climbing gear; which consists of pick, rope, spike shoes and sun glasses, and explore mother nature or try to climb to the top of a mountain.

The sport is really a challenge for it presents numerous dangers that are encountered, and only the physically fit can fully enjoy mountain climbing because it is a strenuous sport.

The snowy peak of the Himalayas is yet to be conquered by the hundreds of men who try each year to scale it.

Lots of love

Governor

Working earnestly in producing another issue of The Governor are Violet, Aileen, Anita and Lily.

The Governor, our weekly paper, kept the students well informed of the activities and news of both the school and the community.

The editors and their assistants worked hard and long gathering news items to produce an interesting and readable paper.

The reporters held interviews with various students, teachers and visitors.

With the help of the varityping classes, the photography class and the printshop, the Governor was able to enjoy a successful year.

The Band Played On

The band was very busy this year under the able direction of Mr. Max L. Ford.

Highlights of the year included playing at the football games. These included the Shrine and Hula Bowl Games. The band also played at the Oahu Education Association meeting held at McKinley High School on November 26 and at the concert for the Kalakaua Christmas Program. The band played at several ROTC reviews.

Band appearances were also made at Kalakaua Auditorium, Maluhia and Hickam Field. It played during the Armed Forces Day Parade and at the graduation exercises.

Harmonious voices heard on the campus through the year were those of the Farrington Glee Club under the direction of Mrs. Naoma F. Aiwohi.

Their performance on every occasion proved outstanding.

The Glee Club sang on the annual Aloha Week program, concentrating on Hawaiian songs.

Yuletide carols were sung during the presentation of the Christmas play.

The Choristers entertained the school and community with their fine musical repertoire, including hymns, classical and semi-classical selections.

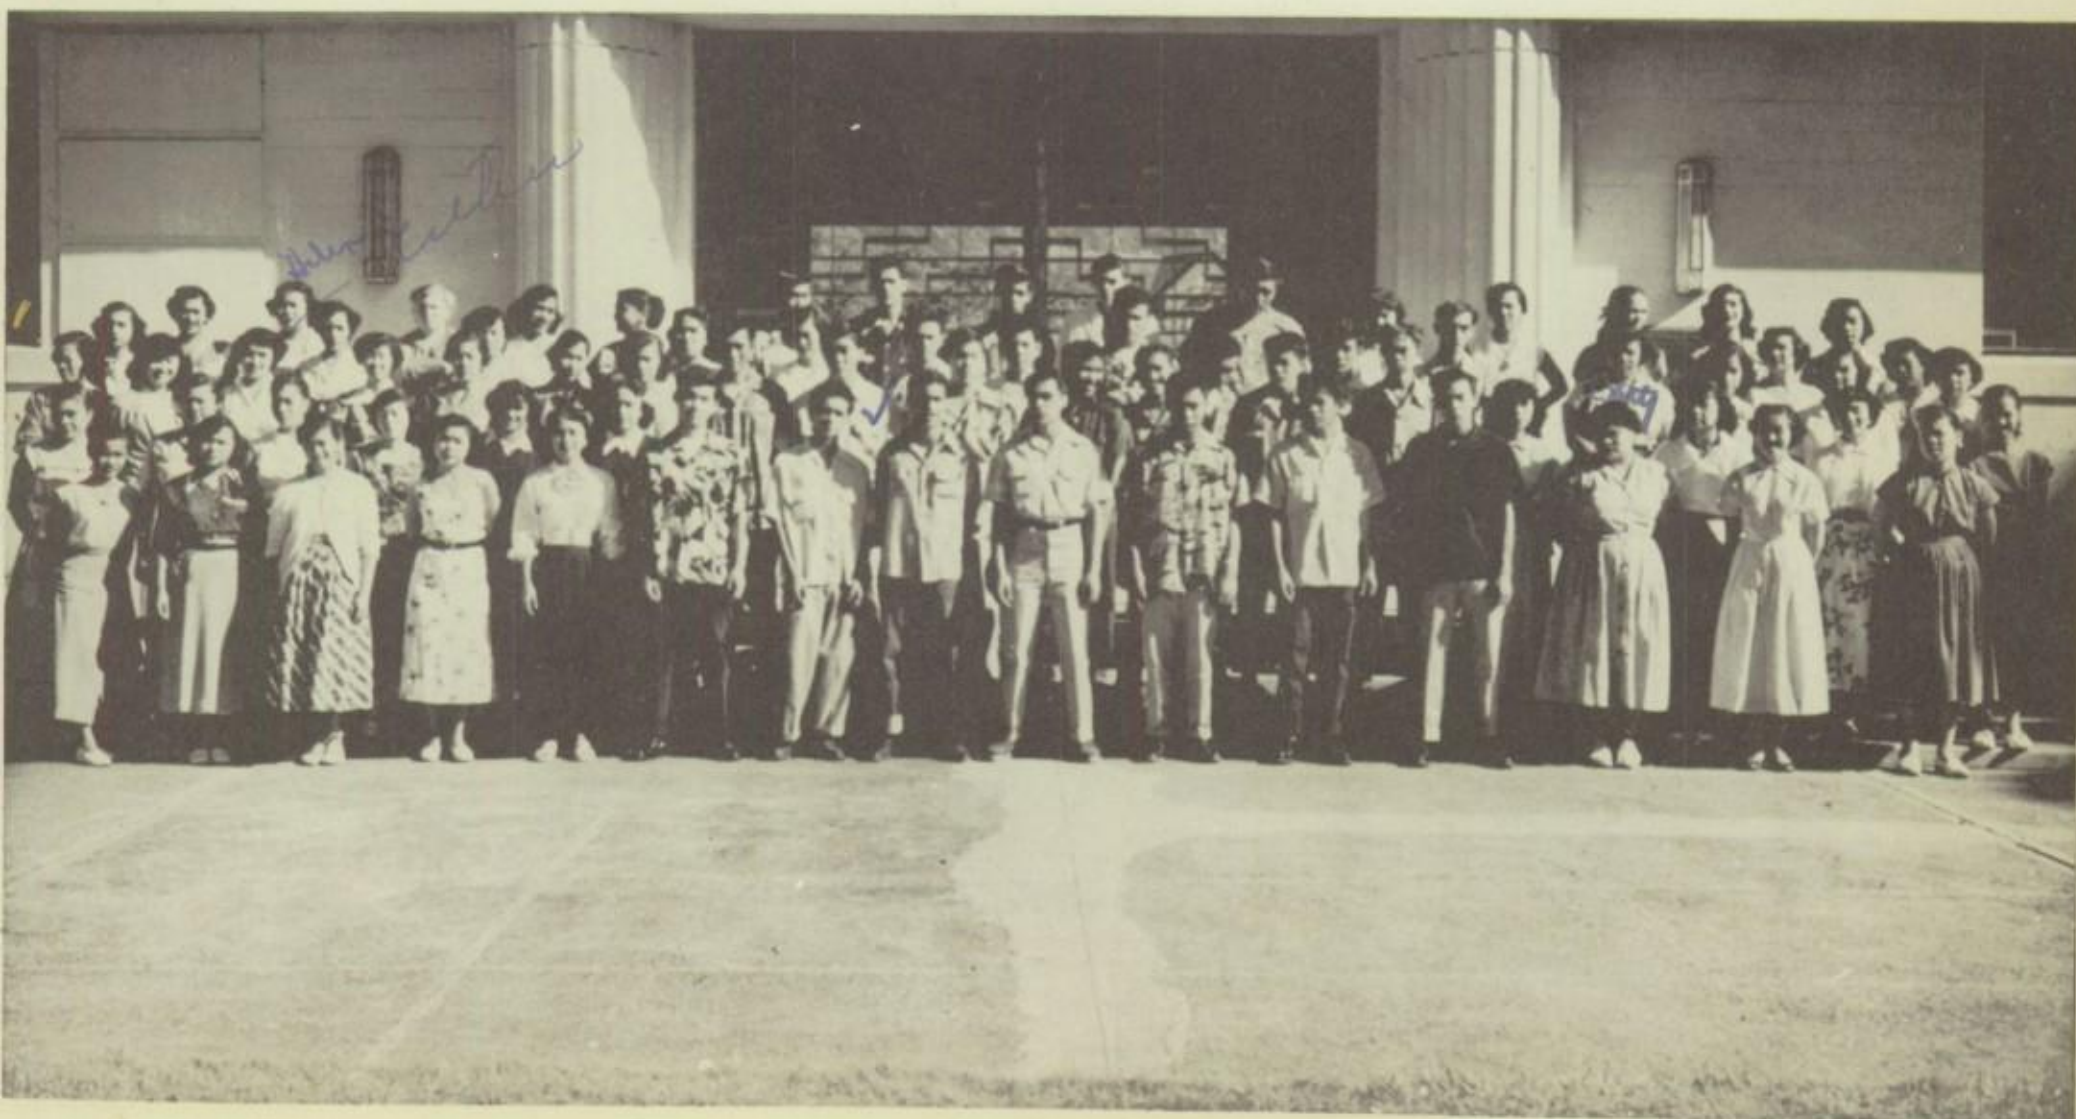

This musical club was open to all students who possessed an interest in music.

Under the leadership of Editor Shizuo Takara and the supervision of Mr. Richard Gima, the Ke Kiaaina staff produced this yearbook. The staff started to make sketches early in the year.

Responsibilities such as drawing dummies, arranging the time for picture-taking, drafting layouts, cutting and pasting pictures and preparing write-ups for the various pages were taken care by the fourth, fifth and sixth period classes.

Since everyone wanted the annual by June, the annual staff worked hard to meet the deadline.

The Hawaiian Instruments class, under the instruction of Mrs. Kee Fun Lee, made rapid progress.

The purpose of this class is to teach boys and girls to play the guitar and ukulele.

Activities of the year included playing at the Kalihi-Palama Council meeting, assemblies, various schools, luncheon meetings and in the May Day program.

Left to right, row one: J. Kahako, C. Esperanza, A. Carvalho, V. Thomas, A. Seabury, N. Lee. Row two: H. Awana, M. Helenihi, A. Suan, C. Alameida, R. Merseberg, V. Ernestberg. Row three: C. Freitas, R. Chai, R. Piihia, F. Ching, A. Bugress, J. Swanson, P. Kamana, F. Maikai, W. Auyoung, E. Beniola.

Junior Police Officers

Much credit goes to the JPO's who performed well in directing traffic for the benefit of students of this school.

Under the supervision of Mr. Tokuji Ono, vice principal, the JPO's gained the recognition and appreciation of the entire school.

These students were out there every day--in good weather and bad--to perform their duty.

Although there were only a few JPO's we owe them a great deal of gratitude and appreciation for their service to the school.

Three cheers for a job well done.

L. to R. First row: Ellen Alike, Lorraine Romando, Robert Yasue, Kenneth Ah Nee. Second row: Officer Percy Yim, Tokuji Ono, adviser.

Radio Workshop Students

The Radio Workshop people announced the news every morning over the school's public address system.

Getting information, writing the articles and reading the news constituted each student's program. The class had another responsibility--that of morale-building.

Doing this work helped the students to express themselves freely in acceptable idiomatic English.

Disc jockeys occupied the Radio Workshop room during the lunch hour to spin records for the entertainment of the school.

L. to R. First Row: R. Perkins, B. Kaanapu, S. Ferriera, B. Larm, S. Lee, W. Bulahan. Second Row: H. Kamiya, S. Yrizrarry, C. Domingo, L. Calvin, L. Takaesu, J. Takahashi, L. Uyeda. Third Row: W. Wills, V. Reynolds, D. Sui Fook, S. Sonoda, N. Terada, H. Yee, I. Hayashida, A. Permito.

Under the leadership of Mr. Robert V. Dowling, the printshop has again proved its importance in the school's curriculum.

The printshop undertook many important projects with successful results. One of the projects was printing the school paper for several schools; namely, Waialua, Kaimuki, Central Intermediate, Sight Conservation and Farrington.

It also printed books, pamphlets and forms for Farrington, the Department of Public Instruction and schools.

It produced the Ke Kiaaina, Farrington's annual.

In recent years, the sport of bowling has become extremely popular both as a form of recreation and exercise, and as a means of competitive team play.

This game was introduced to the colonies from Holland. It is played with wooden pins and a ball.

The object of the game is to knock down the pins with the ball, which is rolled down the alley.

Every year a national tournament is held by the American Bowling Congress, which was organized in 1895.

We, the class of '53, proudly yet sadly received our diplomas; we were not regretting, but recalling wonderful and happy memories of three years at Farrington.

Let us recall our sophomore year, the year when we were assuming the title of "suffering sophomores" and underwent the pains of adjusting ourselves to a new school life.

Elected as officers of the sophomore class were John Snead, president; Daniel Platt, vice president; Shirley Sugita, secretary; Marjorie Nishimura, treasurer; and Miss Shizue Inamine, adviser.

It was the ... yes! the day ... April 13, 1951, with red and white as class colors and the red carnation as symbol of the sophomore class, Doris Nakasone and Shinnichiro Nasu reigned as Queen and King for the day.

We were promoted to the rank of Jolly Juniors on September, 1952. Captains of the ship then were President Soo Kil Park, Vice President Roy Shigemura, Secretary Doris Nakasone and Treasurer Henry Furukido. Mrs. Flora C. Loo was our adviser.

Then came our first formal, the Junior-Senior Prom. The Ala Wai Clubhouse lent a beautiful atmosphere for the dance.

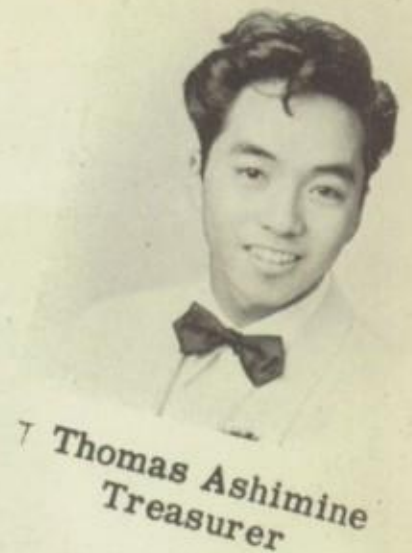

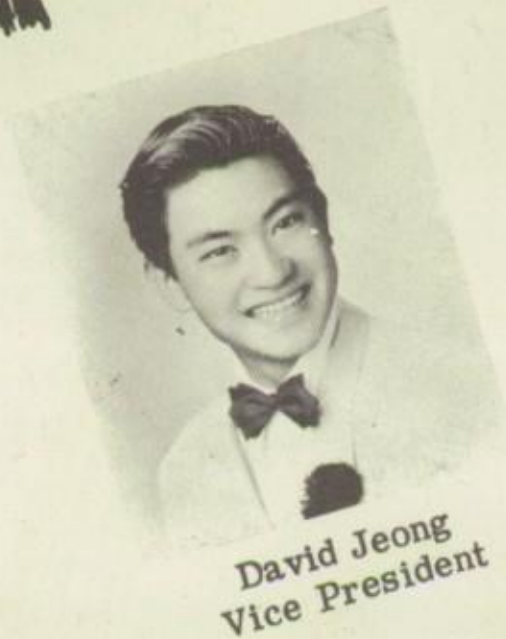

Then it came ... September, 1952, the last year of our high school life at Farrington. In this final year, we elected officers Harold Ohama, president; David Jeong, vice president; Fay Nakamura, secretary, and Thomas Ashimine, treasurer, Mrs. Alice K. Lum became our adviser.

The student government council leadership was now captured by four conscientious seniors. With headquarters at Room 115, they were John Snead, Daniel Platt, Doris Nakasone and Henry Furukido.

Our class day and the senior prom were the two most unforgettable events that took place in our senior year.

The senior boys and girls looked really "sharp" in their suits and gowns. This was our last formal. Commencement on Sunday afternoon brought tears to many seniors because of their departure from Wallace Rider Farrington High School. It showed we had successfully completed three years of learning.

JUNIORS

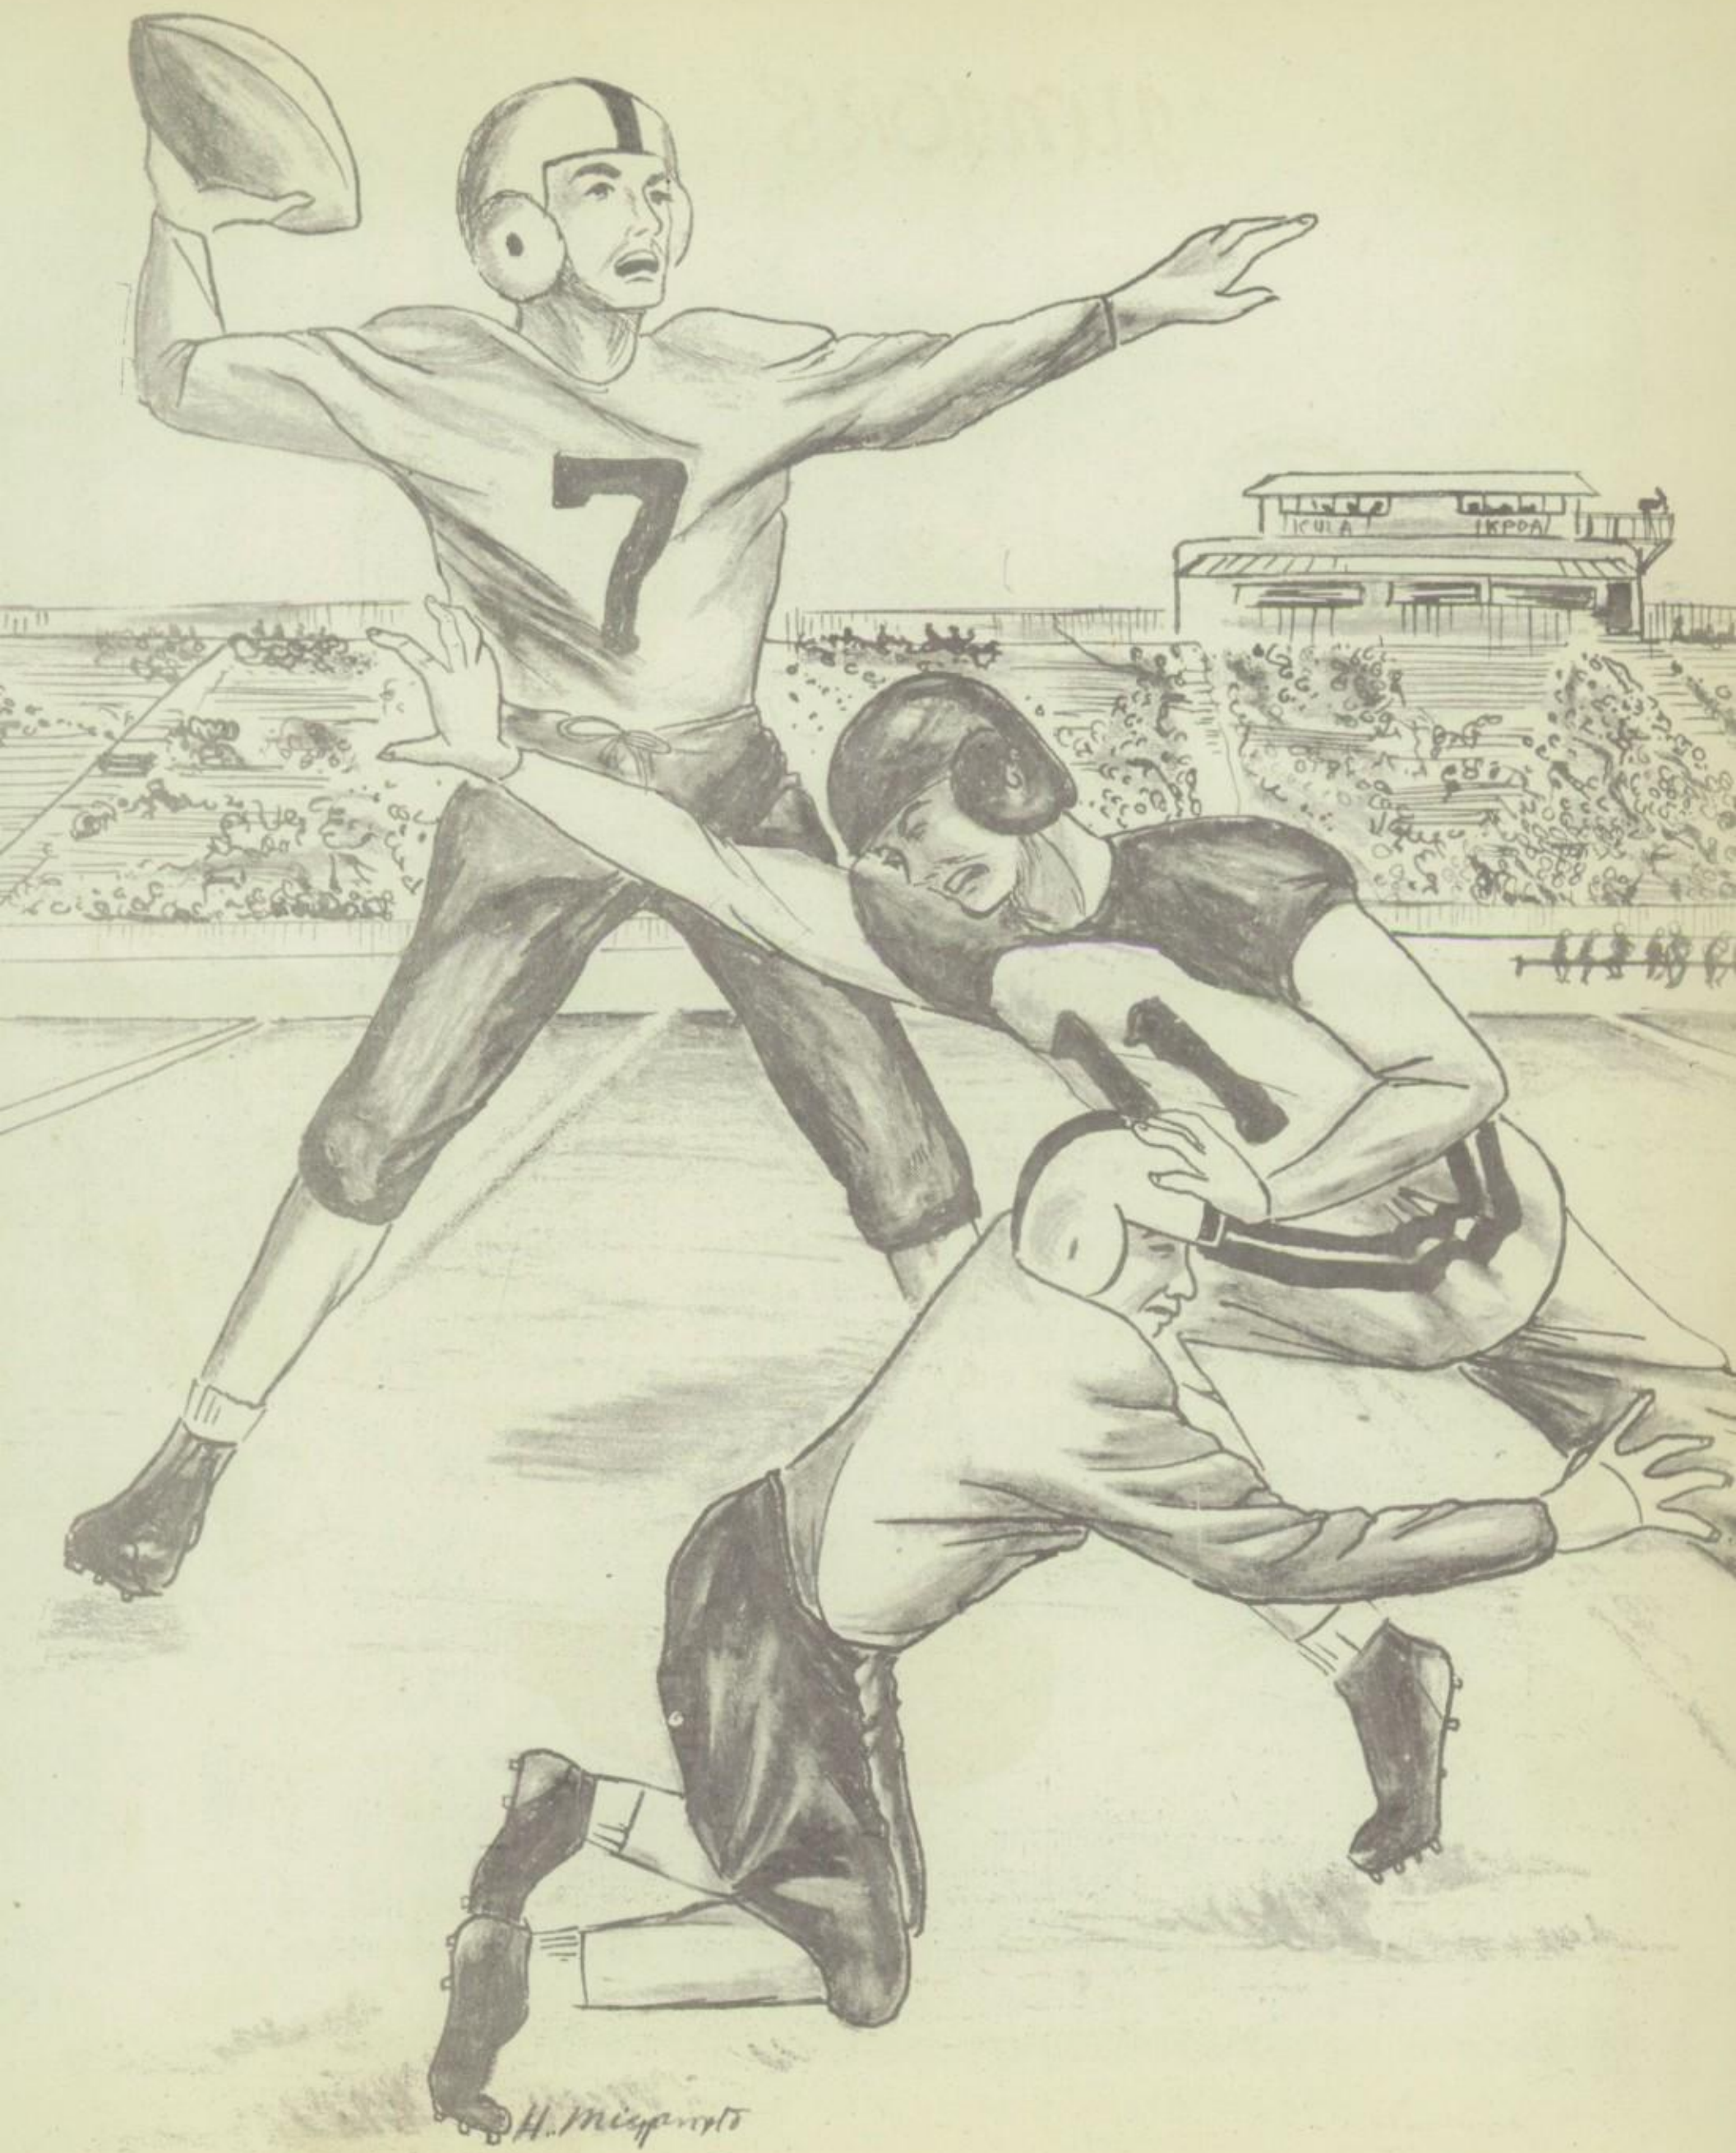

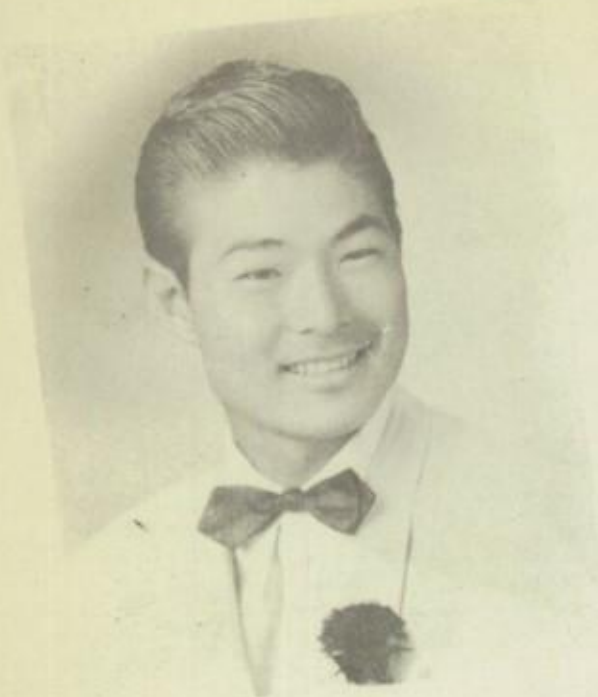

A game played in many countries appears to have originated in England in the eleventh century. The game is played by two rival teams of eleven men, on a field, one hundred yards long and fifty-three and one third yards wide. At each end of the field are goal posts.

The purpose of the game is to kick or carry the ball across the opposing goal line. Play begins with a kickoff of the ball into the opponent's territory. After the ball is downed, the opposing team tries to advance ten yards in four attempts.

A touchdown worth six points is scored when a ball is carried or passed over the opponent's goal line.

Class of '54

Students Today, Leaders Tomorrow

The Class of 1954 enjoyed a pleasant and successful school year with George Fujiwara at the helm. He was given able direction by the adviser, Mrs. Flora C. Loo.

Other class officers were Dolores Resquer, vice president; Janet Harada, secretary; and Harry Kaneshiro, treasurer.

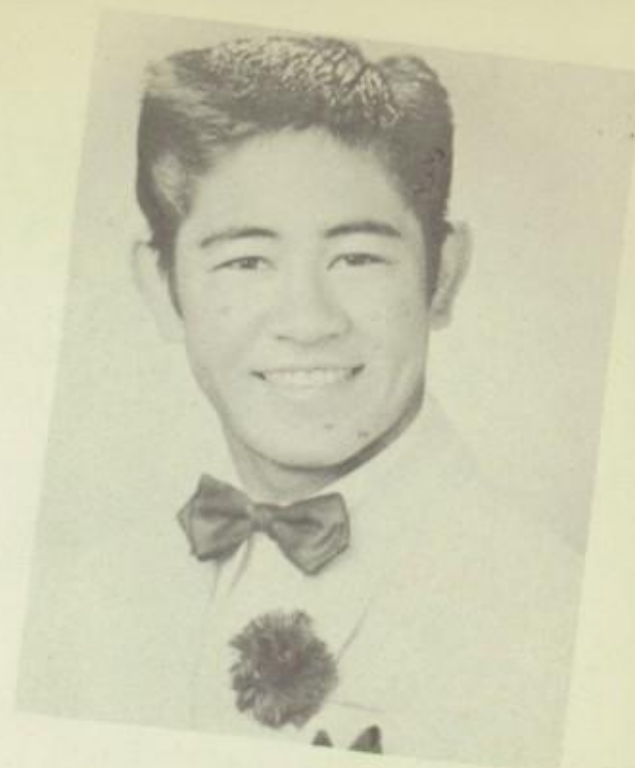

January 16, 1952, labeled Junior Class Day, will not soon be forgotten. It was a "high" day for the Class of '54, the evening dance climaxing the day's activities.

The Junior-Senior Prom, one of the outstanding events of the school year, helped to make the year a happy, exciting one.

Successful as the year has been, the Juniors look forward to their last year at Farrington--their senior year--with greater zeal and enthusiasm.

SOPHOMORES

The practice of tracking down and killing game has become a popular sport. In the early ages, hunting was the chief means of support.

During the Middle Ages, hunting became a reserved sport for noblemen. Hunting is regulated in the United States, Great Britain and other countries. There are generally no restrictions upon big game hunting.

Most big game is hunted in Africa, by white men principally for sport or for value of hides or furs.

Better Tomorrow

Class of '55

Counter clockwise: Priscilla Fukumoto, Secretary; May Goto, President; Miss Sun Oi Chun, Advisor; Alma Mater, Vice President; Harold Hayashi, Treasurer

For some 788 sophomores, September 3, 1952, was the beginning of a new "era." Coming to Farrington was a thrilling experience for many of them.

The eager, but somewhat bewildered, boys and girls were seen rushing here and there about the campus, looking for their new and strange rooms.

But as the days wore on, they soon adapted themselves to the normal routine and found themselves part of this great school.

To start the year right, they had their orientation week. And later they elected their officers to lead them through a successful and happy year.

May Goto was elected president. She presided over the affairs of the sophomore government in such an organized way that the class functioned smoothly.

Vice-president Alma Mata did her part well and presided at meetings in the absence of the president. Secretary Priscilla Fukumoto kept the minutes of all the meetings.

Treasurer Harold Hayashi kept an account of the financial statue of the sophomores. Miss Sun Oi Chun, the adviser, guided the officers in their various tasks.

They chose "Working Together for a Better Tomorrow" as their motto to guide them through the year. Their class colors were blue and white.

Campaigns for the year included the comic drives. In their first drive, they collected 3,000 comic books which were sent to the boys in Korea.

Sherene Moiki, sefvce chairman, was complimented by the Red Cross representative for the excellent job that she did.

The day which will long be remembered by sophomores is April 17, 1953, their class day. This day ended with a glorious dance at the school patio.

As the year closes, each sophomore looks back at the achievements with satisfaction. Each looks forward to another year at dear ol' Farrington.

Polo is said to have originated in Persia about 600 B. C.

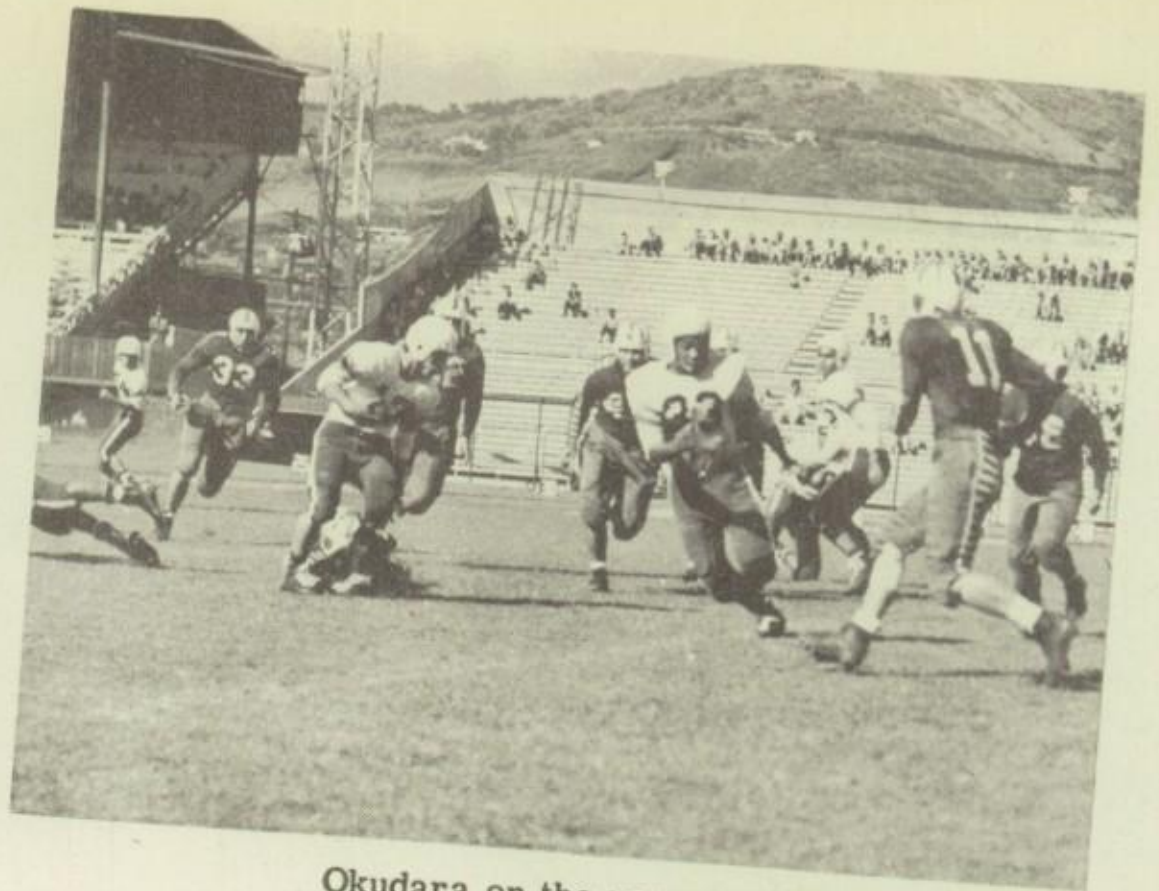

Four players are required on each side. The players are comprised of two forwards; one to play forward or back as the game requires, and one to defend his goal, and pass the ball to his fellow players.

In defense it is the duty of every man to "ride" the corresponding man on the other side of the ball, thus trying to hinder and take the ball from the opponents, and vice versa.

Okudara on the rampage!

Under the tutoring of Mr. Don Coryell, the Governors did their utmost to capture the football crown.

With Lady Luck on the opposing teams, the Governors were able to win but one game, while tying one and losing five. With this record the Governors were the "cellar" champs.

Farrington contributed four players to the Shrine team (Keiki Aliis) -- Stanley Harrington, end; Michael Kauhi, guard; Richard Ah Sam, end; and James Yang, tackle.

We congratulate the senior team for its performance during the past grid season. We look forward to a better season next year.

Govs. 0 Raiders 33

Playing in rain and mud, the Govs fumbled seven times to lose to Iolani by a lop-sided 33-0 score.

Statistically, Iolani outgained Farrington, 204 yards from rushing and passing, to 133 for the Governors.

But Farrington had eight first downs to five for Iolani.

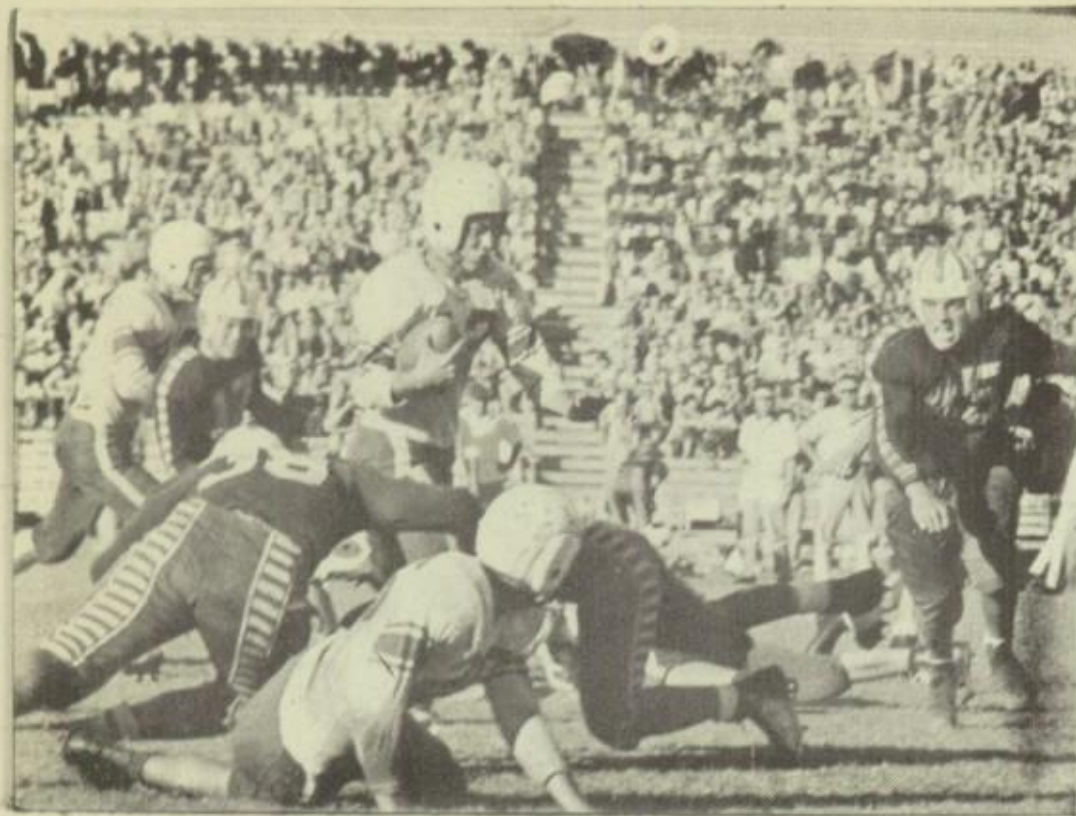

Will they get him?

Iolani scored 14 points in the second quarter, 12 in the third and 7 in the fourth for a total of 33 points.

Sparking the Governor attack were Harry Kaneshiro, Charles Lagundimao, Michael Takaezu and Edward Kelepolo.

My what a lovely pose!

Where are you going, Kaneshiro?

FARR. 7 ST. LOUIS 7

The Governors pulled a major upset by holding the Saints to a 7-7 deadlock.

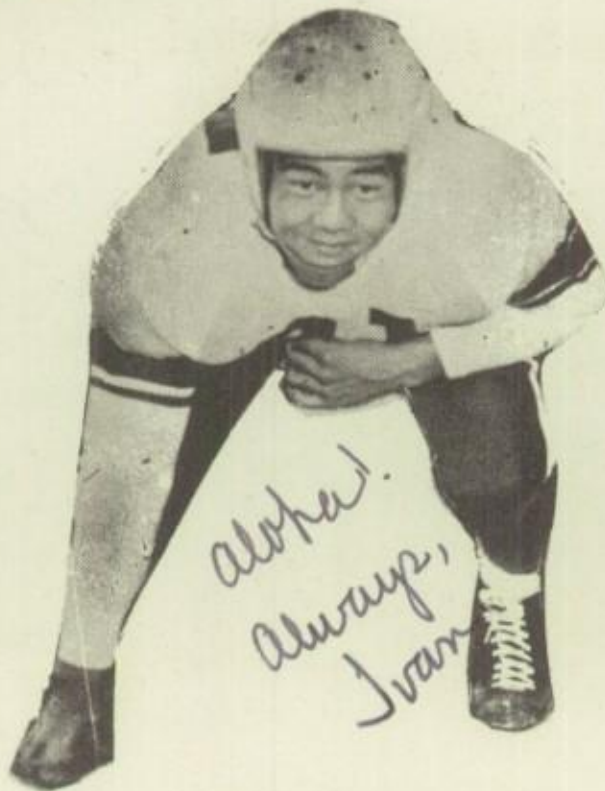

As a result of the tie, the Saints were forced out of the pennant race.

Farrington scored first when Paul Okudara threw a pass to Left End Peter Marquardt for the tally.

The Kalihi squad held this slim lead until the few remaining minutes of the last quarter, when the Saints tied the score.

Lawrence Coloma

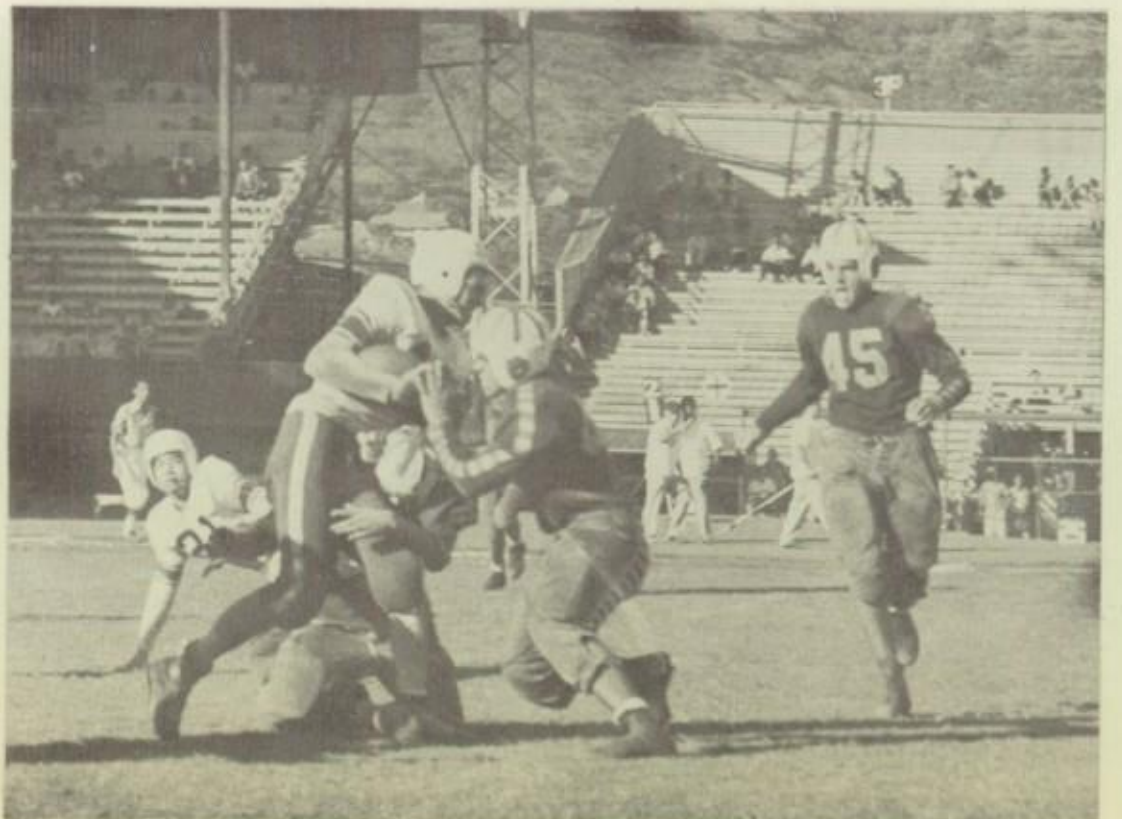

Ivan Adaniya

Michael Takaezu

Paul Okudara and Lawrence Soares displayed some brilliant running which pleased the crowd.

Other Farrington players who played well were Edward Kelepolo, Eugene Sodehani, Micheal Kauhi, and Lester Yoshino.

Although described as the "Flyweights of Kalihi," the Governors proved potent by defeating the Bulldogs, 13 to 7.

Farrington's first TD came when James Milke threw a pass to Stan Harrington, who rambled 15 yards to pay dirt. Lester Yoshino converted.

With the score tied at 7 all, Milke threw a pass that was partially blocked, but Harrington, the alert end, grabbed the ball in the end zone for the touchdown.

Sparking the Governors were Harrington, Milke, Fabian Fragio and Edward Kelepolo.

Although the Farrington junior football gridders did not finish in the first division, they displayed fine spirit and sportsmanship in all of their games.

Under the tutoring of Mr. Anthony Fraiola, our junior team coach, a number of prospects have been developed for next year's senior team.

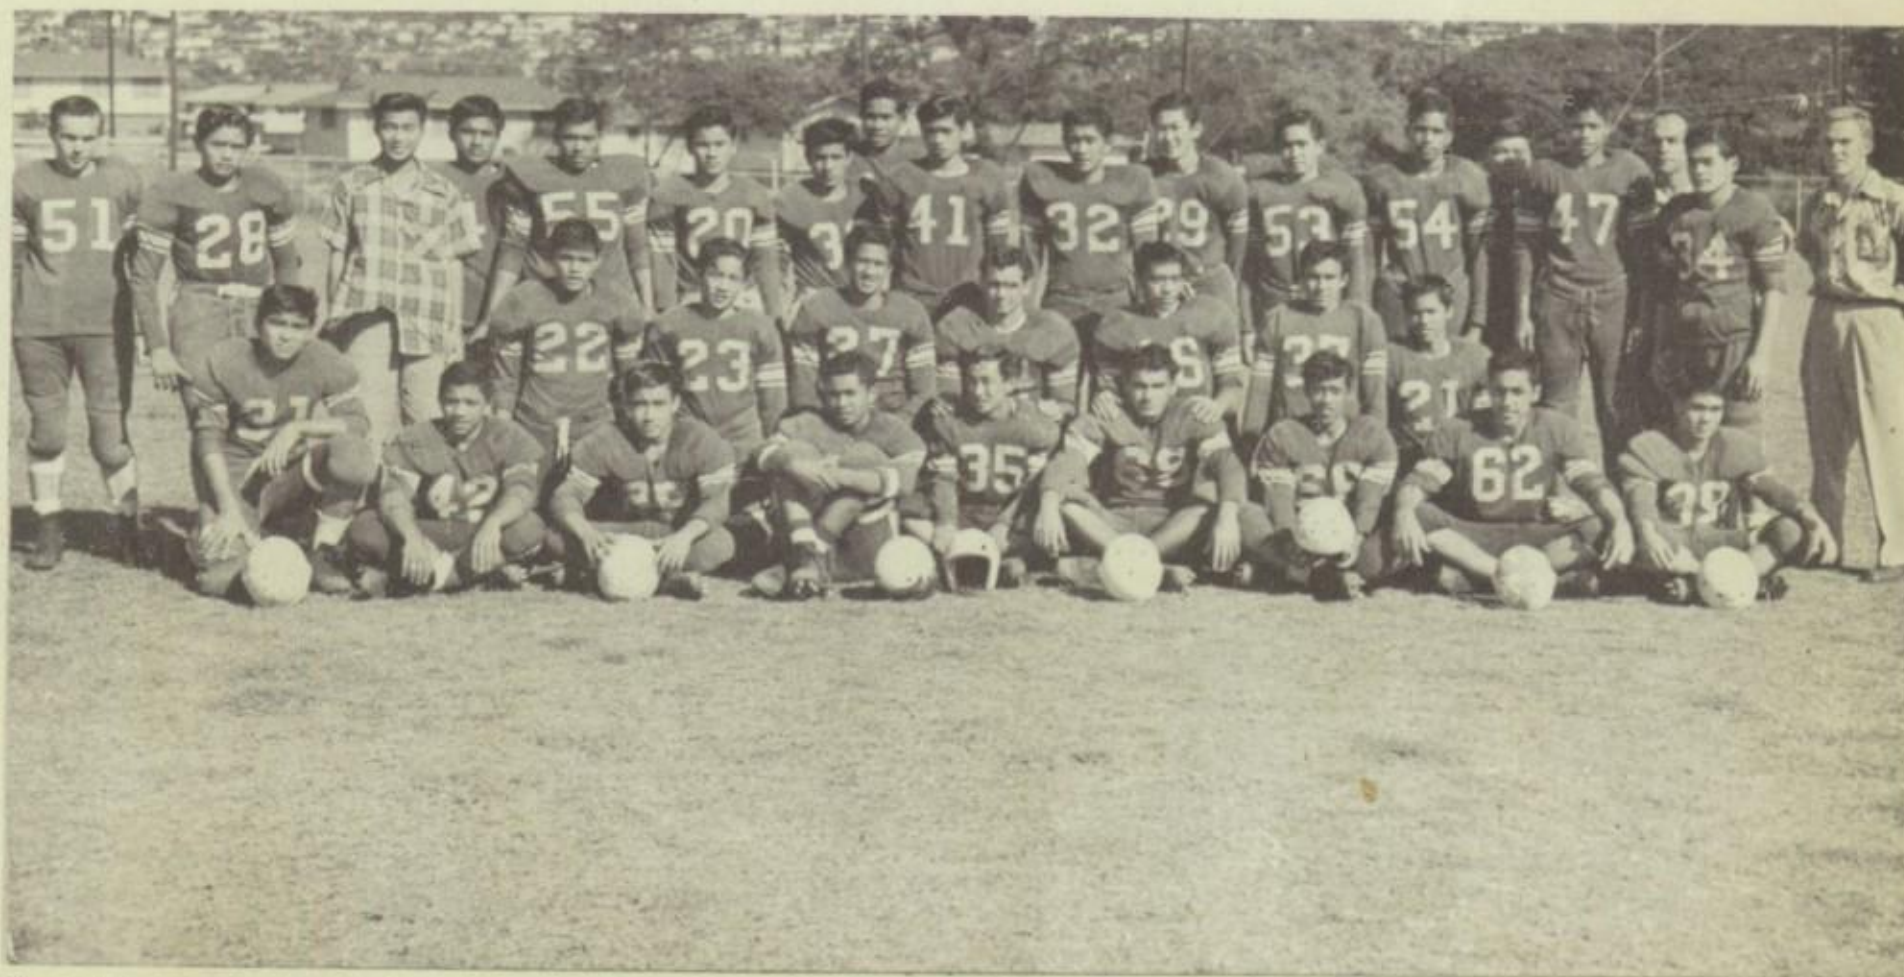

Some of them are Julian Frাগiao, Wilbur Luna, Ambrose Velasco, Allen Miura and Benjamin Rodrigues.

The junior team should be congratulated for its wonderful sportsmanship-like conduct during the entire grid season.

Our SENIOR BASKETBALL Team SECOND PLACE 'CHAMPS'

The Governors, under the tutelage of Coach Francis K. Aiwohi, were defeated by the Saint Louis Crusaders, 47-45, in the initial game of the season.

This loss plus the defeat suffered in the last game of the season proved that the Crusaders perhaps were the better team for the 1953 season.

The Governors experienced keen competition during the pre-season and Interscholastic games and experienced only three defeats--two to St. Louis and one to Hilo.

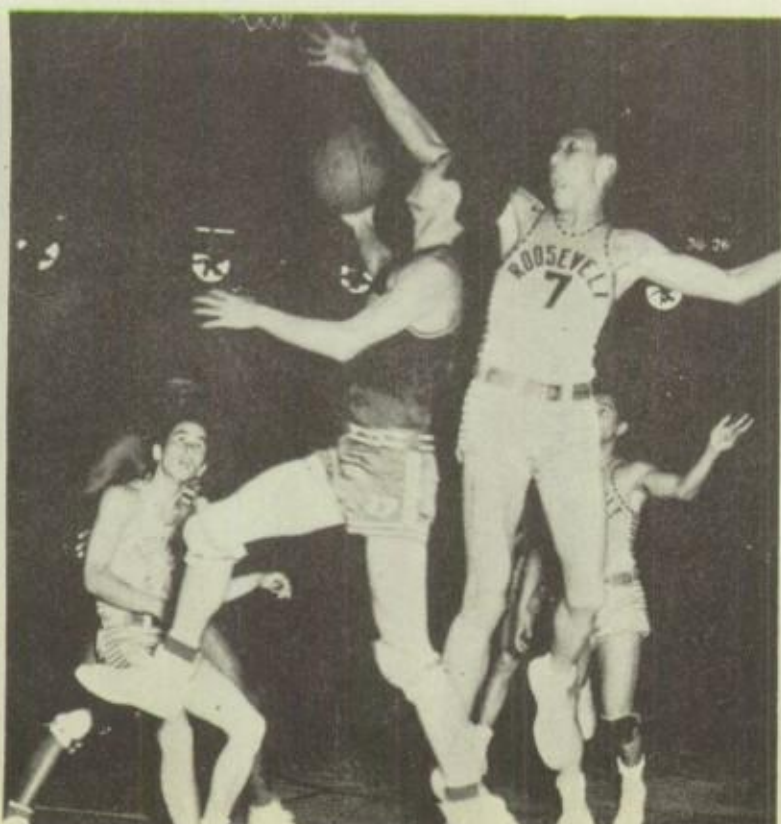

With an Interscholastic League record of 14 wins and two losses, the 1953 basketball team deserves the heartiest congratulations of both the faculty and student body.

No matter where the Governors went, the loyal FHS students followed to cheer them on to victory. Whatever the outcome, the Governors were first in the hearts of everyone, for they accepted victory or defeat with the best of spirits.

To Seniors Levi Molina, John Swanson, Charles Smith, William Young, Bert Hifumi and Thomas Okazaki, FHS bids a fond Aloha. Three cheers to you for the wonderful job you've accomplished!

Junior Varsity BASKETEERS

The Babes, under the mentoring of Mr. Robert Kau, started practicing during the Christmas vacation with a large turn-out.

Small in size and height, they offset this disadvantage with speed, shooting accuracy, good ball handling and a fighting spirit.

Although the Babes got off to a slow start by losing three straight games, they began to hit their stride in their games against Mid-Pacific which they won decisively.

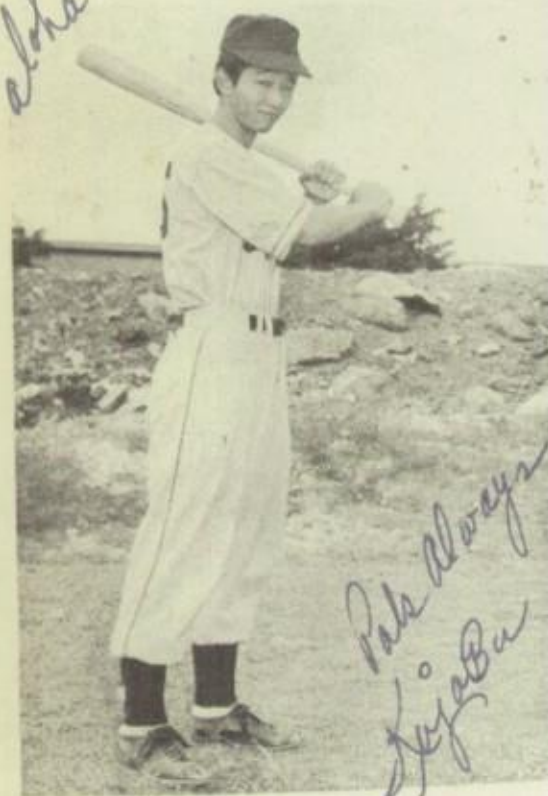

Thereafter, the boys were no pushovers for the teams in the league.

With Mr. Hajime Suga tutoring the varsity Governor nine, the team performed well throughout the season.

The season was highlighted by the Governors' thrilling upset win over the McKinley Tigers. This game marked the spectacular pitching of Stanley Mitsuyuki and the clutch hitting of William Young.

Young's double, which came after one out, drove in Wilfred Mau, who previously had walked to get on base.

The contest also saw the fine pitching duel between South-paw Stanley Mitsuyuki and Andrew Gonsalves of the Micks.

Mitsuyuki allowed seven hits and quenched several McKinley threats.

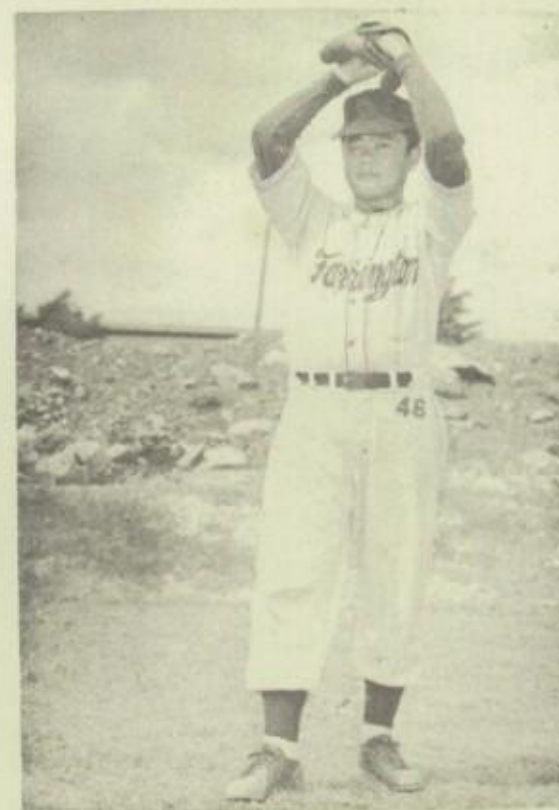

Playing important roles in games played during the season are George Fujiwara, Charles Smith, Gilbert Valenzona, Hubert Shirai, Wilfred Mau, William Young, Ralph Tatsuyama, Hiroshi Tsuzaki, Robert Nakasone, Stanley Mitsuyuki, Lester Yoshino, Lawrence Kiyabu, Robert Higa and Richard Abiva.

Through graduation the Governors will lose the services of 16 players. They are William Young, Lester Yoshino, Eugene Yamamoto, Gilbert Valenzona, Hiroshi Tsuzaki, Ralph Tatsuyama, Charles Smith, Hubert Shirai, Robert Nakasone, Larry Nakashima, Stanley Mitsuyuki, Wilfred Mau, Warren Kotani, Lawrence Kiyabu, Robert Higa and Steven Drose.

It was the second straight victory for the Governors, who dropped their initial encounter to Kamehameha.

Hubert Shirai reigned as the winning pitcher, with Tetsuro Sasaki of the Bulls taking the loss.

It was the Governors' game after they staged a three-run rally in the fourth in William Young's bunt, which enabled Lester Yoshino and George Fujiwara to score.

Gilbert Valenzona tallied in the fifth stanza to give the Gobs a 4 to 0 lead.

Kaimuki tallied a run in the seventh stanza for its only run.

In their half of the seventh inning, the Gobs scored two runs with Yoshino and Fujiwara denting the rubber.

ROTC

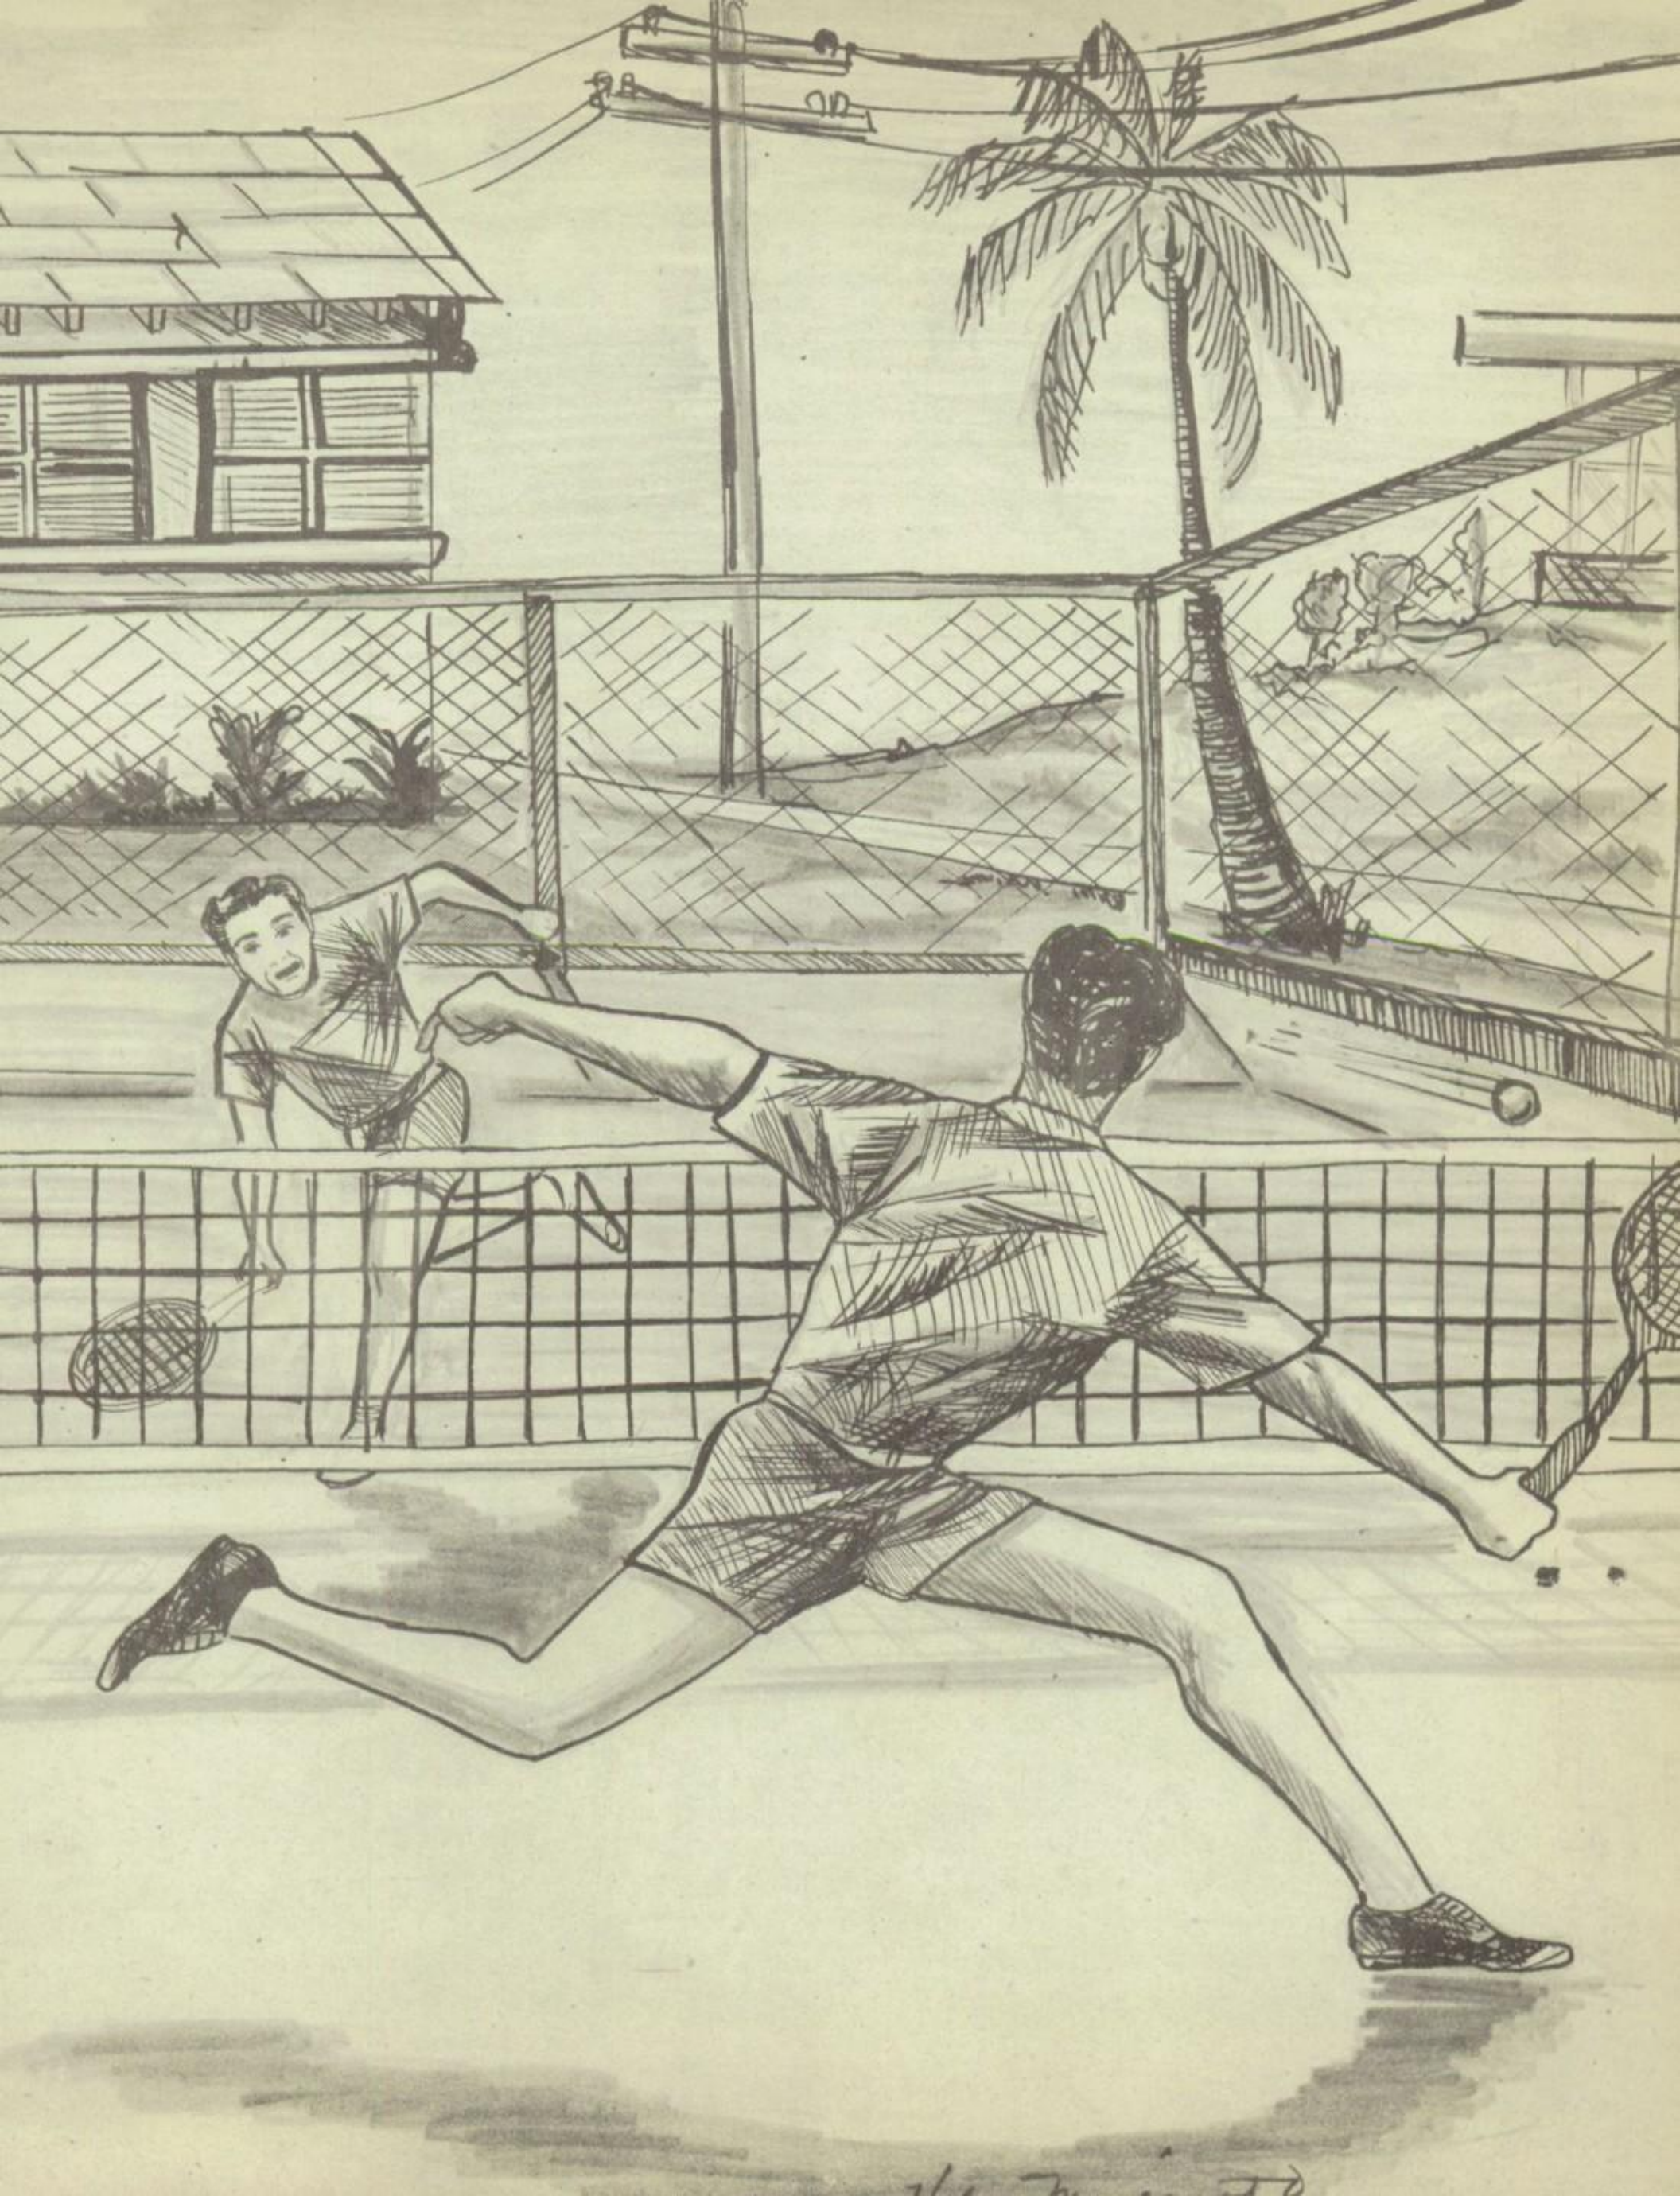

Tennis is one of the earliest ball games whose origin is unknown.

The modern game of tennis was introduced into the United States in 1875. It was so popular that in 1881 the United States Lawn Tennis Association was formed and a national championship match was held at New Port, Rhode Island.

Since 1900, international matches have added interest to the game. In that year, a cup was offered by Dwight F. Davis--a trophy for international competition. The United States won the cup seven times. Competition for the Davis cup is by teams, not individuals.

March 4, 1953

SUBJECT: Reserve Officers Training Corps

TO: The Editor
Farrington High School Annual
Farrington High School
Honolulu, Hawaii

After nearly seven years of ROTC here at Farrington it would seem appropriate to evaluate the worth of the program.

We cannot hope even to begin to produce a trained soldier through ROTC, but hundreds of Farrington graduates have been better prepared to serve their country because of their ROTC training.

The effort here is to smooth the transition from civilian to soldier by preliminary military training and exposure to a military discipline.

For those who are not called upon to serve in the Armed Forces the principles of courtesy, leadership and respect for authority carry over to assist in making a better citizen.

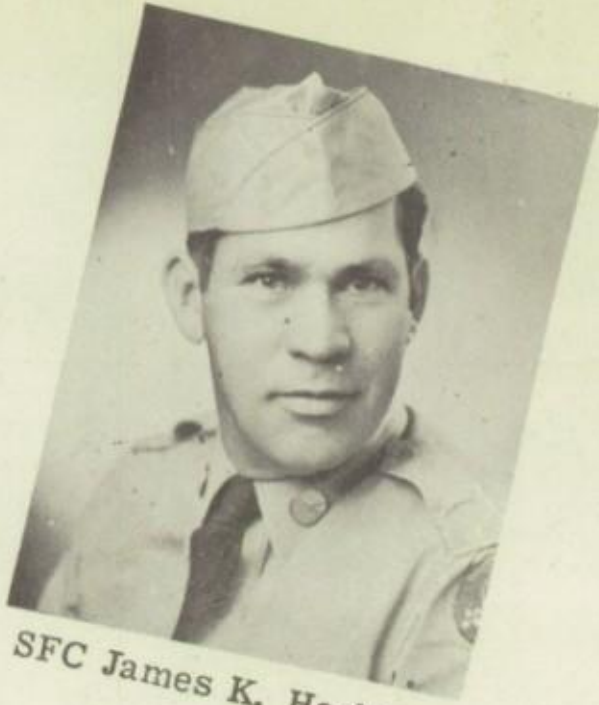

That the ROTC training is beneficial has already been proved by the performance of former Farringtonians in standing up to the demands of the Korean conflict.

We feel that in a troubled world needing stability, and cooperation, the Farrington graduate will continue to prove an intelligent and valuable member of society and can be counted on to do his part.

Under the guidance of Captain James E. Edington and his staff, the ROTC departments enjoyed a successful year. The Farrington ROTC has been in existence since 1946, and it has seen many improvements.

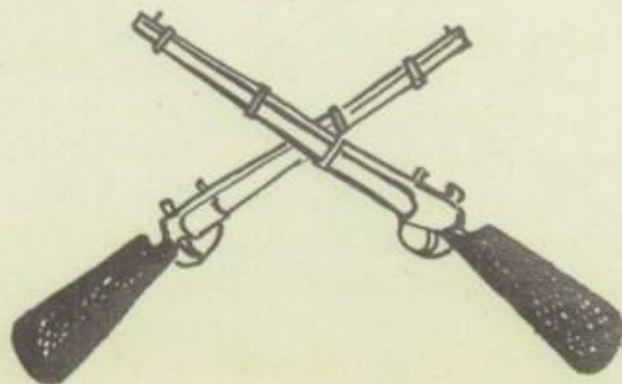

The purpose of the ROTC is not to turn out soldiers, but to build initiative and leadership in a cadet, both in civil and military life. Soldiering is secondary.

A cadet in the ROTC will learn leadership, courtesy, neatness and, most of all, learn to become an intelligent citizen in his community.

To climax the year, the department held the annual Military Ball at Maluhia, Fort DeRussy. It was restricted to cadets of Farrington and their guests.

The Farrington Honor Guard has done great service to our school and community throughout this school year.

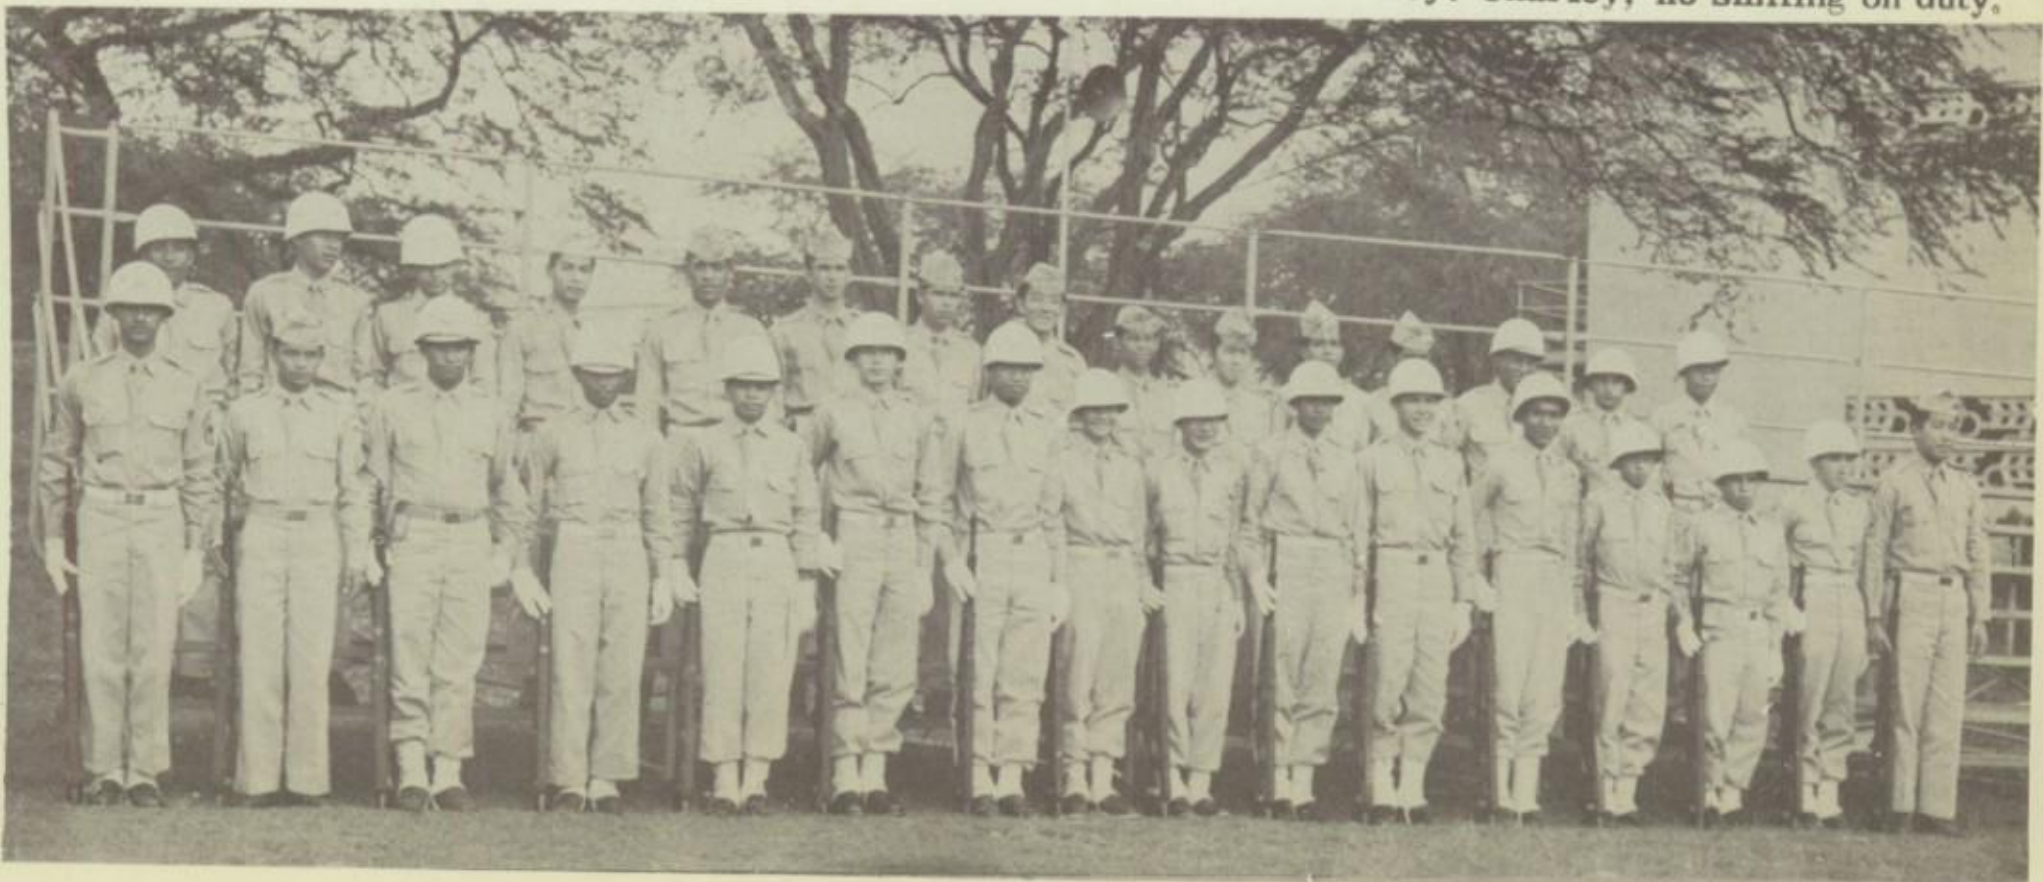

They supervised at all Farrington football and basketball games and during the Christmas play, graduation exercises and at other functions. They were also called upon to supervise car-parking on special days.

There are thirty-six members in the Honor Guard. Any ROTC member with a "C" average is qualified.

Sergeant James Hopkins is their adviser. Three cheers to the Farrington Honor Guard for a service well done!

Under Sergeant Leon Doubek, the rifle team displayed wonderful sportsmanship competing with teams from other high schools. They won five matches and lost one.

The purpose of the rifle team is to develop good shooters. To accomplish this, they practiced every day after school.

There were twenty-two sharpshooters in the team, fifteen in the first and seven in the second.

Co-captains of the rifle team were James Yamaguchi and Shinichiro Nasu, seniors.

To the boys from Farrington High School who served faithfully in the Korean War, we set aside this page--to them who sacrificed their lives to attain peace in this world.

May you all rest in peace forever.

ORGANIZATIONS

Fencing was originated in Italy and Germany, and quickly became popular in Spain and France, where it was one of the principal pastimes of the nobility.

A modern sport today, fencers use light foils tipped with rubber buttons. It requires years of training and practice to master the technique, which cultivates a graceful carriage and promotes agility and muscular control.

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and territories.

As an integral part of the program of home economics in the schools of America, it offers opportunities for the development of pupil initiative in planning and carrying out activities related to homemaking.

Future Homemakers of America is an incorporated, non-profit youth organization. It came into being through the cooperative efforts of youths enrolled in homemaking, in secondary schools, in building a national organization of their own in which they may develop and promote better home life for its members and their families.

Toward New Horizon, the motto of the FHA, expresses the purpose of the organization--learning to live better today in order that our lives and those of our families may be better tomorrow.

National FHA Week here in Farrington was observed by wearing red roses, displaying interesting articles in show cases and displaying posters on bulletin boards.

Some of the activities carried out this year were the FHA and FFA get-together, Mothers and Daughters' Tea and monthly meetings.

Farrington FHA chapter was represented at the Island convention in December at McKinley High School. It sent five delegates to the Territorial convention on the Big Island.

Two beloved "Farringtonians" dear to the hearts of both Farrington teachers and students passed on to their rest during the current school year.

They were Mrs. Wallace R. Farrington, the wife of the man after whom our school has been named, and Mr. William Y. Ing, a highly respected and well-liked teacher.

Though they are gone from among us, their cheerful and friendly spirit will always abide with us.

"So we are glad--
Not that our friends have gone,
But that the earth they laughed and lived upon--
Was our earth, too.
And that we had known and loved them
And that our love we'd shown.
Tears over their departure?
Nay, a smile--
That we had walked with them a little while."

Dearest Statue of Liberty,

Boy! Well, we finally made it.

12 years of hard work.

But Betty, I wish you would call me up sometimes. And if we do plan a moonlight picnic, I hope I can rely on you okay?

It has been real swell to have you in my room and I do hope I'll see you around.

Hope this won't happen too soon. Can't guess? Well here it is.

"Fire, fire, false alarm.

Somebody fell in somebody's arm."

You have been real sharp so I'll be seeing you around.

May God bless & keep you, cause

I can't afford to.

P.S. The fighting Bull.
